All these events are Cash Only

Dear All,

By this letter we invite you to support the future of St. Oswald's Church for the benefit of visitors, friends, local families and those connected to the church.

We are extremely blessed to have people who give regularly and generously to the work of our Church and we take this opportunity to thank you all for your faithful support.

However just like everything else, the upkeep cost of the Church continues to rise so it is important for us to regularly review our financial situation. St. Oswald's Parochial Church Council has determined that our income is not sufficient to meet our regular commitments. There is very little in the bank and help is needed to protect our historic and beautiful building for future generations. Funds are needed to cover the restoration and maintenance of the Church and any emergency work that may arise. The building is grade 2* Listed and as such there is legal responsibility and expectation that it is kept in good repair.

We are a small but enthusiastic congregation devoted to the care and upkeep of the Church, raising funds by events such as coffee mornings, jumble sales and concerts, all well supported by the local community, but we can only do so much. So, we are holding a special Gift Day on Saturday 6th April 2024 to allow people to make one-off gifts to the church to help us fulfil our commitments.

A donation from you would make such a difference and would be used wisely to preserve the church as a continuing part of the rural scene for visitors and locals alike. Details of how to give are included in this leaflet. Should you wish to attend any of our services, or events, you will always find a warm welcome.

Thank you, St. Oswald's Parochial Church Council.
